### **Stewardship Sermon Series Review: Count-Up to Success**

**If you already tithe your 10% or Higher, ask God about making a 1% increase in your giving.**

**If you've been amiss concerning your tithe, maybe you could increase your reduced tithe 2% this year.**

**And if you've never really tithed at all... Why not say to the Lord, "I'm testing you. I'm going to start with 3% of my gross income and move up incrementally throughout the years as you bless me."**

**Stewardship is as easy as the ABC's, as simple as 1,2,3.**
